Therapy Services Agreement

Therapy Playground, Inc strives to provide quality treatment services for your child. Regular attendance is necessary to establish a positive treatment routine and to ensure progress is made toward your child's goals. We want your family to view your child's treatment appointment as a regularly scheduled event.

In fairness to children currently waiting for services, please be advised of our attendance policy that is listed below:

1st No Show - you will receive a call from your therapist and receive a No Show letter

2nd No Show - your child will be discharged from the practice completely

If you cancel your child's appointments often, your child's status will be reviewed to determine if we will be discharging them from services for lack of attendance.

If your child is discharged for attendance and you decide to reenroll your child at our agency, you will be charged a \$25 fee to reopen your child's record. This fee covers our cost in retrieving your child's chart from storage and reprocessing the intake forms.

Thank you for allowing Therapy Playground, Inc to service the treatment needs of your child.

By signing below, I the parent/guardian of _____ agree to the above stated therapy services agreement.
